A huge thanks to LLF Lawyers for their successful Adopt-A-Day on October 27th! LLF Lawyers sent a team of 12 people to help build our 2 homes on Jane Street in Peterborough. The staff had a great time working alongside their fearless leaders Peter and Bill!

Habitat for Humanity's Adopt-A-Day Challenge offers corporate teams the ability to make a tangible difference in their community with a monetary donation as well as the ability to send a team to build for a day on a Habitat for Humanity project.

Currently we are still have a number of days available for Adopt-A-Days and Team-Build Challenges. For more information please contact Jenny Gibson (705) 750-1456 or [jgibson@habitatpeterborough.ca](mailto:jgibson@habitatpeterborough.ca).

We are also still in need of volunteers for both our Norwood and Jane St. Peterborough builds (Nov-Dec). No experience required! Sign up on our website [www.habitatpeterborough.ca](http://www.habitatpeterborough.ca) - click volunteer now button or call the office (705) - 750-1456.
